

Rogue Valley Timbers Premier High School Soccer

The Rogue Valley Timbers are open to allowing players to participate in High School Premier Soccer while they are also playing a winter or spring sport with their High Schools. However, it is our stance that:

1. Each Sport will have to be treated with equal importance and concessions will have to be made by both sides. Soccer **CANNOT** take a back seat to the other sport.
 2. The coach from the second sport should be informed up front and RVT will need to be assured of their willingness to work together to make it work for the athlete. This includes making sure that they give up some of their practice time so the player can attend soccer practices.
 3. It is the expectation of RVT that players are at **all games** unless there is a game that conflicts on the same day. For example, if your team plays in Portland on Saturday and Sunday, but you have a Basketball game on Friday night, the expectation is that you show up for the soccer game on Saturday *or* If you have a track meet on Saturday and the team is in Portland for games Saturday and Sunday, it would be expected that you make it to the Sunday game in Portland.
 4. **State Cup/Presidents Cup Games take precedence over school related sports.**
 5. We expect the commitment from the families to help make this a viable option for the athlete.
- It is important to give careful consideration when trying to balance two sports along with academics. Please understand that it is an incredibly difficult undertaking and please do not take the commitment lightly.

RVT policy on player release- Players that make an RVT HS Premier Soccer Team should be advised that their season runs from January until the end of May. Players will not be released from their teams to play with other teams during that time unless there is not a conflicting team event on the weekend of requested release. Players are expected to play the league season, showcase tournaments, State Cup or Presidents Cup and the Rogue Memorial Challenge with the team they are assigned to.
